Zoning Ordinance Offers Protection to Homes

Proposed Law Bars Undesired Building.

Provisions for dividing Narberth into two main zones—business and residential—are made in the zoning ordinance, which passed first reading in Council this month. The business zone is divided into two districts.

The proposed law aims principally to keep Narberth as it is, and to protect the Borough from undesirable building in the future. The business districts are kept to their present locations: Havertown avenue and parts of the adjacent streets, and Woodbine Avenue from Hampton to a point 125 feet east of Iona Avenue, also permitting stores on part of the immediately adjacent streets.

Commercial development is prohibited in all other parts of the Borough, which are classed as "residential" and which may contain no buildings other than dwellings, tenements, private garages, educational buildings and public buildings.

Buildings in the business sections will be limited to four stories or forty-five feet in height; dwellings to three stories or thirty-five feet; educational and public buildings and garages to two stories or thirty-five feet; amusement buildings one story or thirty feet.

In the residential districts private garages are limited to one story, dwellings to two stories (third story must have sloping roof); tenements to three stories or thirty-five feet and other structures to two stories or thirty-five feet.

Extensive provisions are made to preserve open spaces throughout the Borough. No dwelling can be built nearer than six feet to a party line (save twin houses). Tenements (apartments) public and educational buildings must have a twelve foot clearance to all adjacent lines.

An important provision deals with garages. Strict rules are made forbidding anyone to construct a garage beside the dining room or porch of a neighbor, as has in many cases been done in the Borough. No garage can be built in front of the rear line of the dwelling next door. A corner lot garage must be set back twenty feet from the side line of the lot in the rear, and set back from the center of the street twenty-five per cent. of the lot plus one-half the width of the side street. Furthermore it must be set back at least thirty-five feet.

Unfortunately the new provision does not remove the present examples of bad building, but in the future it will assure a property owner of his share of light and air.

Careful definition is made of the various terms used in the ordinance. It provides stiff penalties for violation.

A meeting has been called by Council for Monday evening, June 20th, to hold a public hearing on the bill. After this it is probable that it will receive final passage at the meeting of July 14th.

AIN'T IT THE TRUTH

I've heard it said that "Money talks," And I believe 'tis true;

For when he comes to spend the day, He says "hello" to you.

But if you plan to have him stay, He winks his little eye;

And soon you hear his mellow voice In parting, say "good bye."

Some visitors from California were sitting eating ice cream in White's famous store, when suddenly they heard a noise. It sounded like the second battle of New Orleans and they wanted to get out of there where there was no danger of the ceiling falling on them anyway.

Outside the people were all running in one direction. They grabbed a taxi and told Pat to beat the crowd to it, whatever it was.

On Essex Avenue they were driving so fast a cop stopped the car. They all got out and ran up the street.

How come? and the answer was: The members of the Evangel Circle of King's Daughters are planning their annual Holiday House Luncheon June 27th, 1924, from 12.00 to 2.00. Tickets 50 cents. Who cares if they do say good-bye to their money when they are helping us to plan for a happy survive in Narberth the day after the by the public reception of new members luncheon to spend happy days at the Holiday House. Further information and tickets can be obtained from Mrs. Fred Derby, 106 Narberth Avenue, or phone 386-B.

Reports From Many Clubs

Organizations Vote for Community Building

The committee in charge of the plans for the projected Community Center Building report progress in preparing the plan for presentation to the voters.

A large number of organizations have been contacted with the purpose of securing an expression of opinion on the plan as presented at the general meeting. Most of the organizations have reported. In each case the vote has been favorable, in some cases accompanied by suggestions and criticism.

With this mass of evidence in hand the committee is ready to take the matter up with the borough authorities. A joint meeting has been called for next Monday night, at which time Council will hold a special session, in conference with the Committee of ten in charge of the plans, and the Recreation Board.

At this meeting, it is expected that the entire matter will be gone into thoroughly, and that plans will be made to prepare a bond issue to submit to the voters at the November election.

It is probable that the amount of the proposed loan will be \$100,000, to which will be added the money, upwards of \$50,000 to be collected from various independent funds and from contributions.

If Council considers the plan favorable an ordinance will be prepared, and the machinery placed in motion to the bond election. The building, planned for the Playground plot on Windsor Avenue, will accommodate the various organizations of the Borough with meeting places, will provide a home for the library, and will also furnish a gymnasium, swimming pool and lockers for athletic purposes.

SIX NEW STORES

Excavation has practically been completed for six new stores to be constructed at the corner of Narberth and Havertown avenues.

The property is owned by Charles S. Powell, of Ardmore, and the work is being done by the Merion Construction Company. One of the stores will be at the corner, one will face Havertown avenue, and the other four Narberth avenue.

In addition to the shops, garages will be constructed in the rear, and apartments above. It is said that two of the stores have already been sold before actual building is begun.

NEW OFFICERS

The Board of Directors of the Narberth Women's Community Club met this week at the home of Mrs. W. M. Sibley, retiring president, to elect a new set of officers.

Mrs. Milton F. Alexander was chosen President, Mrs. Walter A. Fox, Vice President, and Mrs. E. H. Cackrill, Treasurer. The other members of the Board of Directors are Mrs. E. C. Batchelor, Mrs. Harry A. Jacobs (President of the Club), Miss Margaret K. Eyre (President of the Junior Section), Mrs. Jesse S. Harris and Mrs. W. M. Sibley.

Deacon—Jones

Another interesting wedding took place Saturday at 6.30 o'clock in the Memorial Church of St. Paul, Overbrook, when Miss Helen Jones, the daughter of Mrs. William J. Jones, of Narberth, became the bride of William Deacon, son of Mr. and Mrs. Harry Deacon, of Sharon Hill.

The bride, who was given in marriage by her brother, William J. Jones, had her sister, Miss Ruth Jones, as maid of honor and only attendant, John Van Harlingen, of Sharon Hill, served as best man, and the ushers included Kenneth Trotter, Sydney Trotter, J. Gordon Wilson and Edward T. Jones, a brother of the bride.

A small reception followed the ceremony at the home of the bride's mother, for the immediate families. After a wedding trip Mr. Deacon and his bride will live at No. 305 Chestnut Avenue, Narberth.

NEW OSTEOPATH

Dr. C. C. Ripley, who, with his wife, has recently leased the ground-floor apartment of the re-built Matthis house at the corner of Grayling and Windsor avenues, this week, opened an office for the practice of osteopathy.

Dr. Ripley will hold office hours in Narberth on Tuesdays and Fridays, the rest of the week being occupied at his office in the Lincoln Building.

AFTER DELINQUENTS

Tax collector Raymond C. Jones has started a strong campaign to clear up a large accumulation of back taxes due the Borough and School Board.

There are SIXTY local residents seriously delinquent. Many of these have failed to pay taxes as far back as 1919. The School Board and Council have made demands upon Mr. Jones that the money be paid, and as he is responsible for all taxes, even if suit must be resorted to, the present action has been taken.

Thirty summonses were issued through Constable Miller this week, and the delinquents compelled to appear before Magistrate Walzer Monday night. In some cases the taxes were paid at that time; in others, the delinquencies must be cleared up forthwith or suit will be resorted to.

The campaign is showing results, and the Tax Collector hopes to have the books cleared up shortly. In addition to the taxes owed, costs are being collected from those summoned.

AUXILIARY ENTERTAINED

Mrs. Elmer L. Stapp, 229 Wayne Ave., again last Saturday afternoon and evening, had the pleasure of entertaining the Auxiliary A. W. T. of the Gethsemane Baptist Church, Philadelphia.

Members of the Society began to arrive early, in bus, auto and taxi, and by mid-afternoon quite a crowd had assembled for the annual Picnic. For a short time black clouds hovered over Narberth, and for a few moments rain drops fell through the tulip poplar, threatenings of what has been the custom for several weeks, it was not until the festivities on the lawn were over, though, and the cravings of the appetites at the table had been satisfied, that darkness, accompanied with the roar of thunder and the flash of lightnings, disturbed the guests. All of them repaired to the house, where the good times were continued unabated until the hour of departure. When lo! behold, the moon in all its beauty shone forth upon a jovial bunch home ward bound.

PLAN FOR CAMP

Next Monday's meeting will be the final one of the season except for a special meeting for boys who intend to go to Camp Delmont which will be held at Scout Headquarters on Thursday, July 24th at the usual hour.

The Narberth Troop will go to Camp Delmont for the week of Saturday, July 26th, to Saturday, August 2nd, and all members of the Troop who intend to make the Camp should, at Monday's meeting, turn in their individual reservation form. All parents who want their boys to go will please co-operate in seeing that this is done. Boys who were not present at this week's meeting can obtain the forms from the Scoutmaster or the Assistant Scoutmasters. We want the Narberth Troop to be well represented at the Camp.

do not believe it is necessary to urge this as we are sure that all parents who have not made other plans for their boys for that period will be more than glad to have them go.

Slips From First Growing Sentiment Place

Oakmont Took Narberth's Scalp Saturday

Narberth lost its grip on first place last Saturday by permitting the Oakmont aggregation to walk away with the long end of a full score.

Narberth failed to launch their hits, having actually more safe rallies than their opponents. Oakmont was also in possession of the Inn, collaring the well-known breaks of the game with due regularity.

J. Sinclair shone for the visitors. He took five chances without a miss and tallied three of the nine safe rallies.

While Narberth was losing to Oakmont, Barn O'Wynd, by a seventh inning rally, treated Berwyn to a 3-1 defeat and walked into undisputed possession of first place.

Garham was on the mound for Narberth and held the home team to six hits, with 8 strikeouts to his credit. His team mates meanwhile clouted out 16 safe hits for a total of 26 bases off Rogers.

Best Power came through with a home run besides two doubles. Harvey Humphries had a triple and three singles. George Flock had a triple, a double and a single. Bob Hood was on duty in right field. In the seventh inning he walked, stole second, then third. He came home after Barnes hit a fly to centre field. The veteran Bob is getting fast these days.

JOURNALISTS ENTERTAINED

An enjoyable supper was held Tuesday night at the home of Miss Gertrude Ely, Bryn Mawr, at which time the publishers of Montgomery County's weekly newspapers, and the representatives of the Philadelphia papers met the officials of the Montgomery County League of Women Voters.

Mrs. C. P. Fowler, Chairman of the Local League and in charge of the "Get Out the Vote" Committee of the County organization attended from Narberth. In the absence of Mr. Livingston, who was out of town, Mr. Ralph S. Dunne, President of the Narberth Civic Association, attended.

Miss Ely made a short address to explain the reasons for the meeting. It was shown that the aid of the press was necessary if the League was to succeed in its effort to secure a ballot of 75% of the eligible voters at the November election.

The County women are making a concerted effort to secure such a result this year. A low percentage of ballots has been a constant source of disappointment to those interested in improving local and national political conditions.

The officers of the County organization were present, in addition to the chairmen of the different committees. In all over thirty were present at the affair.

Letter Sent to Many Musical Bodies

A movement of great importance to the active set of Main Line communities who are interested in civic development has been particularly borne forward, is brought forward in the letter quoted below, to a committee composed of members of Narberth Choral Society, Mabel Club, Ardmore, and the Choral of the Bryn Mawr Memorial Association, and addressed to numerous Main Line associations. The letter is self-explanatory, and of necessity deals only with the general point but covers as much as is thought in that general plan. It is an admitted fact that the existence of many organizations, musical, social, or of any kind, is sometimes kept alive by the most dependable support of our country, on the support of their individual districts, and the separate efforts, while directed toward common ends, are frequently found to be at cross purposes. In the more or less isolated past, cooperative isolation of the separate minded segments of the community, as well as along similar lines, has brought together under one management the several separate arches. It has brought together under one management the several separate arches. It has brought together under one management the several separate arches. It has brought together under one management the several separate arches.

existence and has made out of them an association of instrumentalists that is a delight and credit to the Main Line as a whole. Its counterpart in vocal music can probably be established through the union of singing societies that is now proposed.

The letter above referred to follows: The Narberth Choral Society:

During the past year, or so, there have been many among the established social organizations, in Main Line communities a growing belief that the activities of the different societies could be advantage be co-ordinated, and the several groups, which until now, have been thought in mind, a group of representatives from the active musical associations in Ardmore, Bryn Mawr and Narberth met on June 16th for a formal discussion of the subject, and the undersigned committee was formed to ascertain as definitely as possible the prompt response to such an undertaking, and the likelihood of active cooperation, not only from established singing bodies, but from other civic bodies whose vision is broad enough to enable them to see that the promotion of the interests of the Main Line as a collective whole is of equal importance with the promotion of the interests of each community as an individual unit.

Accordingly this letter is sent to ask three questions:

1. Does your organization favor the amalgamation that is projected?

2. If so, will you as a body actively co-operate with and lend your influence to such an undertaking either by actual participation or otherwise?

3. Will you authorize not more than two delegates to attend a conference with this committee to discuss ways and means, and to join in taking the steps necessary to the formation of a unified choral, under a name later to be selected?

This meeting will be held at the Memorial Center Building, Bryn Mawr, on the evening of Monday, June 30th, at 8.15 P. M.

It is realized that this original communication is very general, but the object of the Committee is to focus your attention upon the proposal in a broad way. It should be understood that the sending of delegates to the conference above referred to involves no obligation of any kind, but the Committee hopes that such delegates will be given power to state definitely your position with respect to questions 1 and 2, if satisfied with details as developed at the conference. If no such authority can be given, we shall be glad to have your representatives attend and lend the benefit of their counsel and suggestion.

Please address your response to the

WHY?

Considerable indignation has been aroused in Narberth over the apparent discourtesy of the Lower Merion High School officials in ignoring entirely the Narberth School's in their Commencement Friday night.

Despite the fact that nineteen students from the late Narberth High School received their diplomas, and despite the fact that in many ways Narberth is a part of the Township school system, neither the local School Board nor the Principal was invited to attend the exercises.

If this was due to an oversight, it is a blunder that does not belittle presumably capable officials in charge of an educational system. If it was a deliberate snub at the Borough, a cry of "uncleanness" from the Township it takes its place among the worst of discourtesies.

Narberth residents, whose taxes are helping to build the Township schools, will deeply resent any air of mere tolerance. Our local school authorities, Principal Wilson in particular, have worked hard to help our local students fit in with their new surroundings. We must be part of the bigger system, in spirit as well as fact, or the arrangement will not justify itself.

Those of our residents fortunate enough to claim Narberth High as their alma mater can look back with pleasure to the spirit of good fellowship, intimacy and courtesy which prevailed among the students, faculty and School Board. Certainly the younger brethren of these graduates are entitled to share the same spirit.

Another One

Wednesday's twilight game on the home diamond added another scalp to Narberth's collection. The Wynnewood team, of Philly, furnished the slaughter this time. 8-1 was the score.

Yowell, the old timer, was on the mound, and sure looked in good shape. He had 11 strike-outs in seven innings and only allowed 1 hit. Gibson relieved him in the 8th inning. He struck out 3 batters, walked two, but one, allowed no hits and no runs.

George Fleck was there with the willow, having 4 singles out of 5 times at bat. Odiorne and Dickie each had 2 singles, while Yowell had a triple and a single. Powell walked 3 times.

Craig, of the visiting team, was the only man to hit safe, getting a two-bagger. Dunn and F. Franks played well for the visitors, each having five assists.

Paoli plays at Narberth this afternoon. They will be recalled as the aggregation which handed the Walkers a bad beating on Memorial Day. The local batsmen have blood in their eyes, for not only must the defeat be wiped out, but last Saturday's slip must be made up.

same team plays a return game of twilight ball at Narberth. This club is one of the leading teams of the Delaware County League and a good game is in prospect.

With the coming of real summer weather, increasing numbers of fans are attending the games, and big attendances are looked for from now on.

Benefit Game

Plans are being made for a benefit game to help out one of the members of the team who is in the hospital. Bill Humphries is the sick one, and announcement will be made later of plans for the game.

GRADE LOWERED

The Borough Highway force has recently completed the task of lowering the level of the pavement on the east side of Essex avenue from Woodbine avenue south. The patch of paving, extending in front of five properties has been very high ever since the grade of the street was lowered.

At one time there was a "Thank You Man" in the middle of the pavement, where the grade changed about a foot very unexpectedly. This hazard to the peace of mind and safety of limb was removed a couple of years ago. The present job, which cuts down the entire stretch some eight inches has made a big improvement at that point.

HE'S SELLING THEM

Ray Weiss, our local auto dealer, is doing good work with his Maxwell and Chrysler agency according to a statement recently made. Of the ten cars recently sold the following have found Narberth purchasers: Maxwells to Messrs. Wm. H. Fretz, J. F. Frehr, and Clarence Beideman; Chryslers to Messrs. A. G. Sparks, Wm. Mitchell, H. Woehling and Ralph S. Dunne.

NEW LEGION OFFICIAL

Jacob Miller, Hathoro Post 271, was appointed district deputy commander of the ninth district of the American Legion of Pennsylvania which includes Narberth, Tuesday night. He succeeds A. T. Rush. The ninth district comprises Bucks and Montgomery counties.

In making the appointment the executive committee passed a resolution containing formal denial of the allegations made by Rush and condemning his action "in giving out false statements." A similar resolution was passed by the Executive Committee of the State in session at Greensburg several weeks ago.

The resolution denied the truth of the statement alleged to have been made by Rush that the radical element is beginning to control the American Legion and that the "American Legion has shut its eyes to the needs of the men lying in hospitals and men sick at home when they should be hospitalized" in order that the adjusted compensation bill might be passed over the President's veto.

FOUR HUNDRED CHILDREN READERS

1728 Books Distributed in May

Few people in Narberth realize how large a part of the Library work is done for and by the children. A casual glance at any time between two o'clock and three on a Tuesday or a Friday afternoon will show a small alcove under the stairs containing only a few hundred books. At a desk at the entrance to the alcove will be seated two of the Library assistants preparing for the afternoon work. One or two small children may be seen standing either at the desk or at the shelves in full possession of what is known as the "children's department." But from three to five on those same afternoons it is another story. Then may be heard the sound of many feet and a gentle hum of enthusiastic comments on books being returned or taken out.

More than four hundred Narberth children are regular readers at the Library; some of them coming every week, and some less frequently, but all of them coming often enough to keep in touch with the expansion of their little section. In the entire Library for the month of May, 1728 books were distributed, and of this number, 928 of them, a little more than one half, were distributed from the children's department. Two weeks ago Mrs. Jos. Hougher, who is in charge of the children's department on Tuesday afternoons reported 166 books distributed in about an hour and a half, and at one time on that same afternoon 24 children were counted standing at the desk or at the shelves or sitting at the magazine table.

The department is entirely free and is supported by gifts and by a certain proportion of the income from the rental of current books in the adult department. There are four magazines bought expressly for the children, "Child Life," "John Martin's Book," "St. Nicholas," and "The National Geographic," while many others provided for the adult department especially are made easily accessible to the girls and boys.

The children are also familiarizing themselves with the ways of a library which will be of valuable assistance to them always. They learn to arrange the books on the shelves in the established order which in turn teaches them how to find a given book.

They also learn how to use books of reference and how to help other readers select their books. Several of the children of that department are giving regular assistance in the Library.

The Library is open to all members of the community on Tuesday afternoons and Friday afternoons from 2 to 5, and on Friday evening from 7 to 8:30.

FEDERATION OF MUSICAL CLUBS PROPOSED

(Continued from Page 1)

chairman, Mr. Boileau, at 210 Wayne Avenue, Narberth, Pa.

Yours very truly,
MRS. EARL VONDERSMITH,
(Bryn Mawr Choral)
H. L. REINHOLD, JR.,
(Ardmore Melody Club)
H. C. PENNO,
(Narberth Choral)
WALLIS BOILEAU, JR.,
Chairman,
(Narberth Choral)
Organization Committee.

As far as the Narberth Choral is concerned, no action has been taken. A general meeting will be held on Tuesday evening, June 24th, at 8:15 at the home of Mrs. Paul R. Loos, on Shirley Road, to discuss the subject, but at this writing the Choral appears to have no alternative than to give assent. Entirely apart from other consideration is the fact that in the coming season the Narberth Choral will be without a home of any kind in Narberth, and must of necessity go outside the borough for both concerts and rehearsals. This, of course, is an almost impossible situation, and it seems likely that the society will vote as a body to enter the proposed Main Line Association.

We understand that some apprehension has been felt that such a move would deprive the Choral of the leadership of Mr. Wm. P. Bentz, but as far as can be ascertained at the present moment, his selection as director of a unified body is assured. That is, however, a matter to be determined at the proper time.

SECURES DIVORCE

In Court Number 1, Philadelphia, this week, a divorce was granted to Emilie D. Erdman from her husband, Gustav J. Erdman, Jr., of Narberth.

FROM THE SOUTH

The following letter from Tampa, Florida, to the Editor of "Our Town" is of interest to local folks:

"Tampa Moody Height M. E. Church South wishes to report the close of a wonderful successful revival conducted by Mrs. Col. Alice V. Herron, 117 Woodside Ave.

"We, of Tampa Moody Heights district, wish we were honored by being able to say she lived here. Narberth can indeed be proud of Mrs. Col. Alice V. Herron, and in leaving here, she leaves a score of staunch friends.

"Sunday evening, May 1, closed the greatest revival ever conducted in Tampa Heights, with an overcrowded, packed house. Many being unable to secure room within the Church were standing outside listening to the most wonderful delivery of "The Truth" which ran the number of conversions to 125 also. Praise be to God a number of twenty-five cases of healing. How can we therefore ever forget our dear friend Mrs. Herron. And we believe that her friends in Narberth will rejoice with us over her success for the Master, away down here in South Florida.

"During her entire services to our district she has proven that truth is a strengthening power. And after laying the truth before the Church members, though cold, and warning their hearts and leading them to the truth, she went out into the highways and byways and did an indeed wonderful work. Tampa shall never forget her and her services. Her street services were assisted by H. C. Cooley, known as the 'Irish Singer,' who has spent

some years in evangelistic field as a singer.

Know ye all, that we of Tampa Moody Heights M. E. Church South extend a glad welcome hand to the Colonel Alice Herron and her many friends at home who may indeed be proud to call her a friend. We also extend the right hand of fellowship to her, and shall welcome her return sometime, we hope soon."

Mrs. H. C. Cooley.

Mr. A. P. Vander Burch, consul to the Netherlands, will soon move to New York. Their home at Dudley and Haverford Avenues will be occupied by Mr. Edward P. Sien and family.

Clarence Long, local mail carrier, is basking among the strawberry patches in New Jersey.

Mr. and Mrs. Wm. Selfridge, of Haverford Ave., are spending several weeks in Ocean City, N. J.

Mr. Robert K. Barclay has moved from Conway Avenue to his new home on Dudley Avenue.

MERION'S ROSES

The famous roses at the Merion station of the Pennsylvania Railroad are now in bloom, although many of the bushes and vines have been held back by the cold, rainy weather. The roses were planted along the banks a few years ago by the Merion Civic Association, and since have become one of the attractions along the Main Line.
